

# PENDANT LAMP

## PRODUCT MANUAL

To change the light bulb follow the next steps:

1 Loosen the turning knobs on each side of the lampshade, make sure they aren't unscrewed too far (to prevent the lampshade from falling down).

2 Move the lampshade upwards until the socket is below the lampshade.

3 Retighten the turning knobs so the lampshade is fixed in this spot

4 Change the light bulb.

5 Move the lampshade back down.

Clean with a damp cloth and a bit of soap.
